*Each day is a

We wonder

We feel

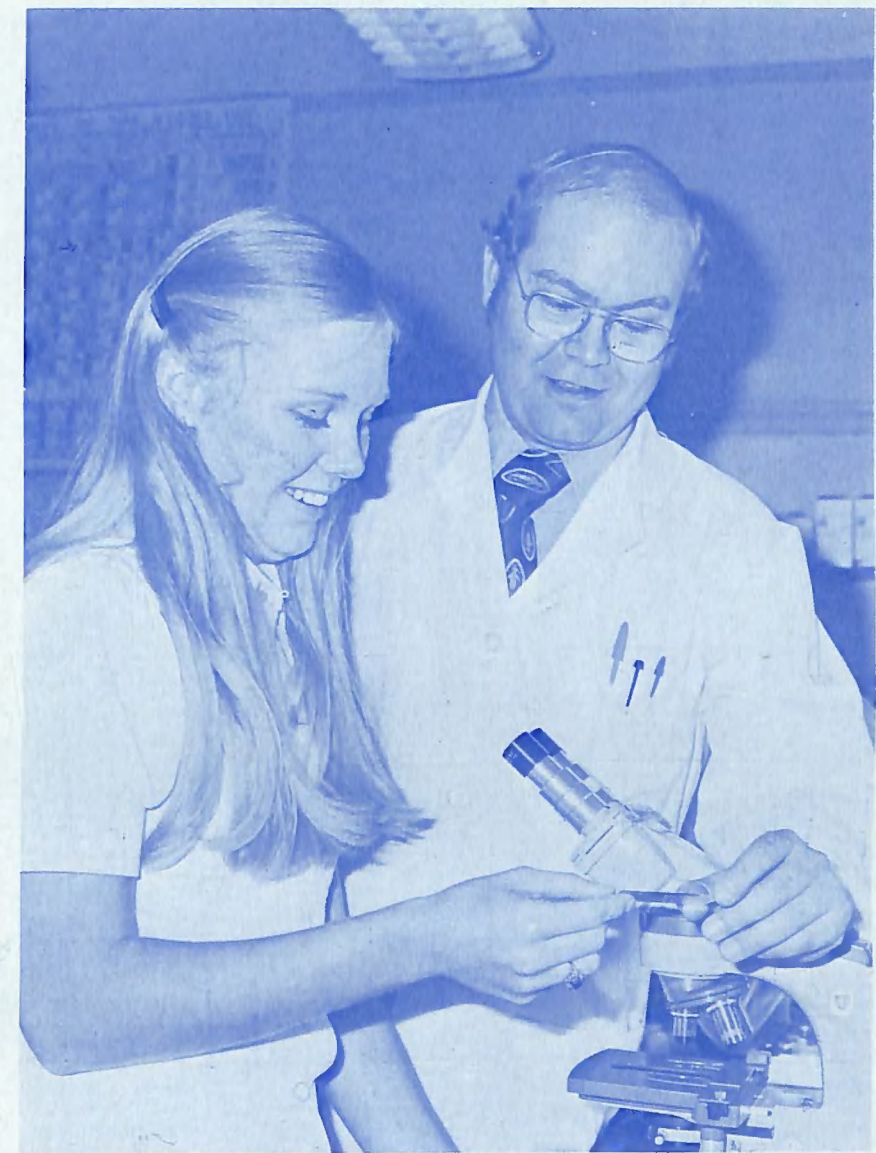

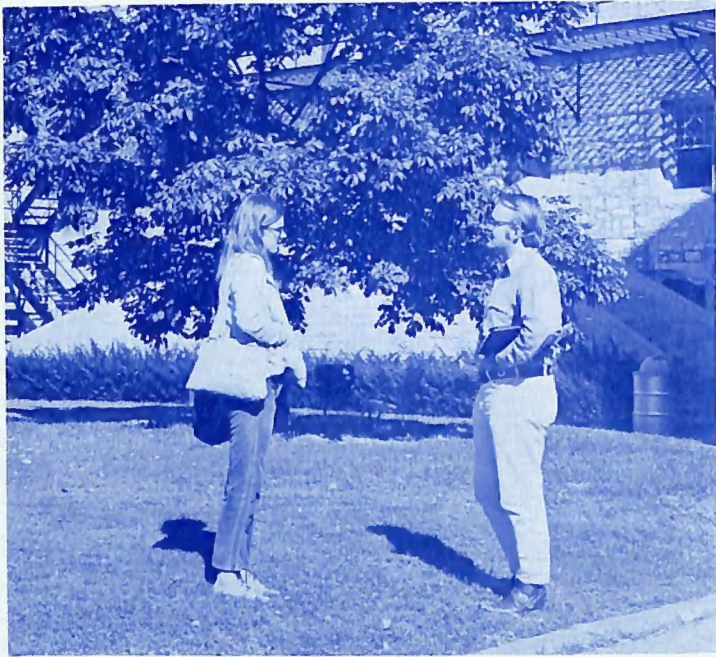

*Discovering ourselves
and each other*

*Sometimes we live from
day to day*

*Forgetting the

us*

*We find that
time dictates our

*So much perhaps
we fail to see*

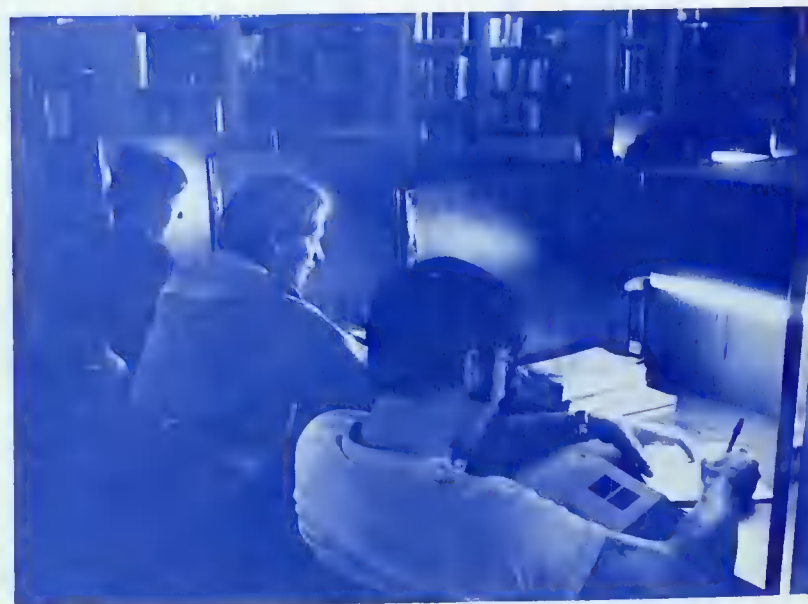

*We must not fear
what lies ahead*

*Nor shirk our
daily duty*

*Without a dream,
a goal, a quest,*

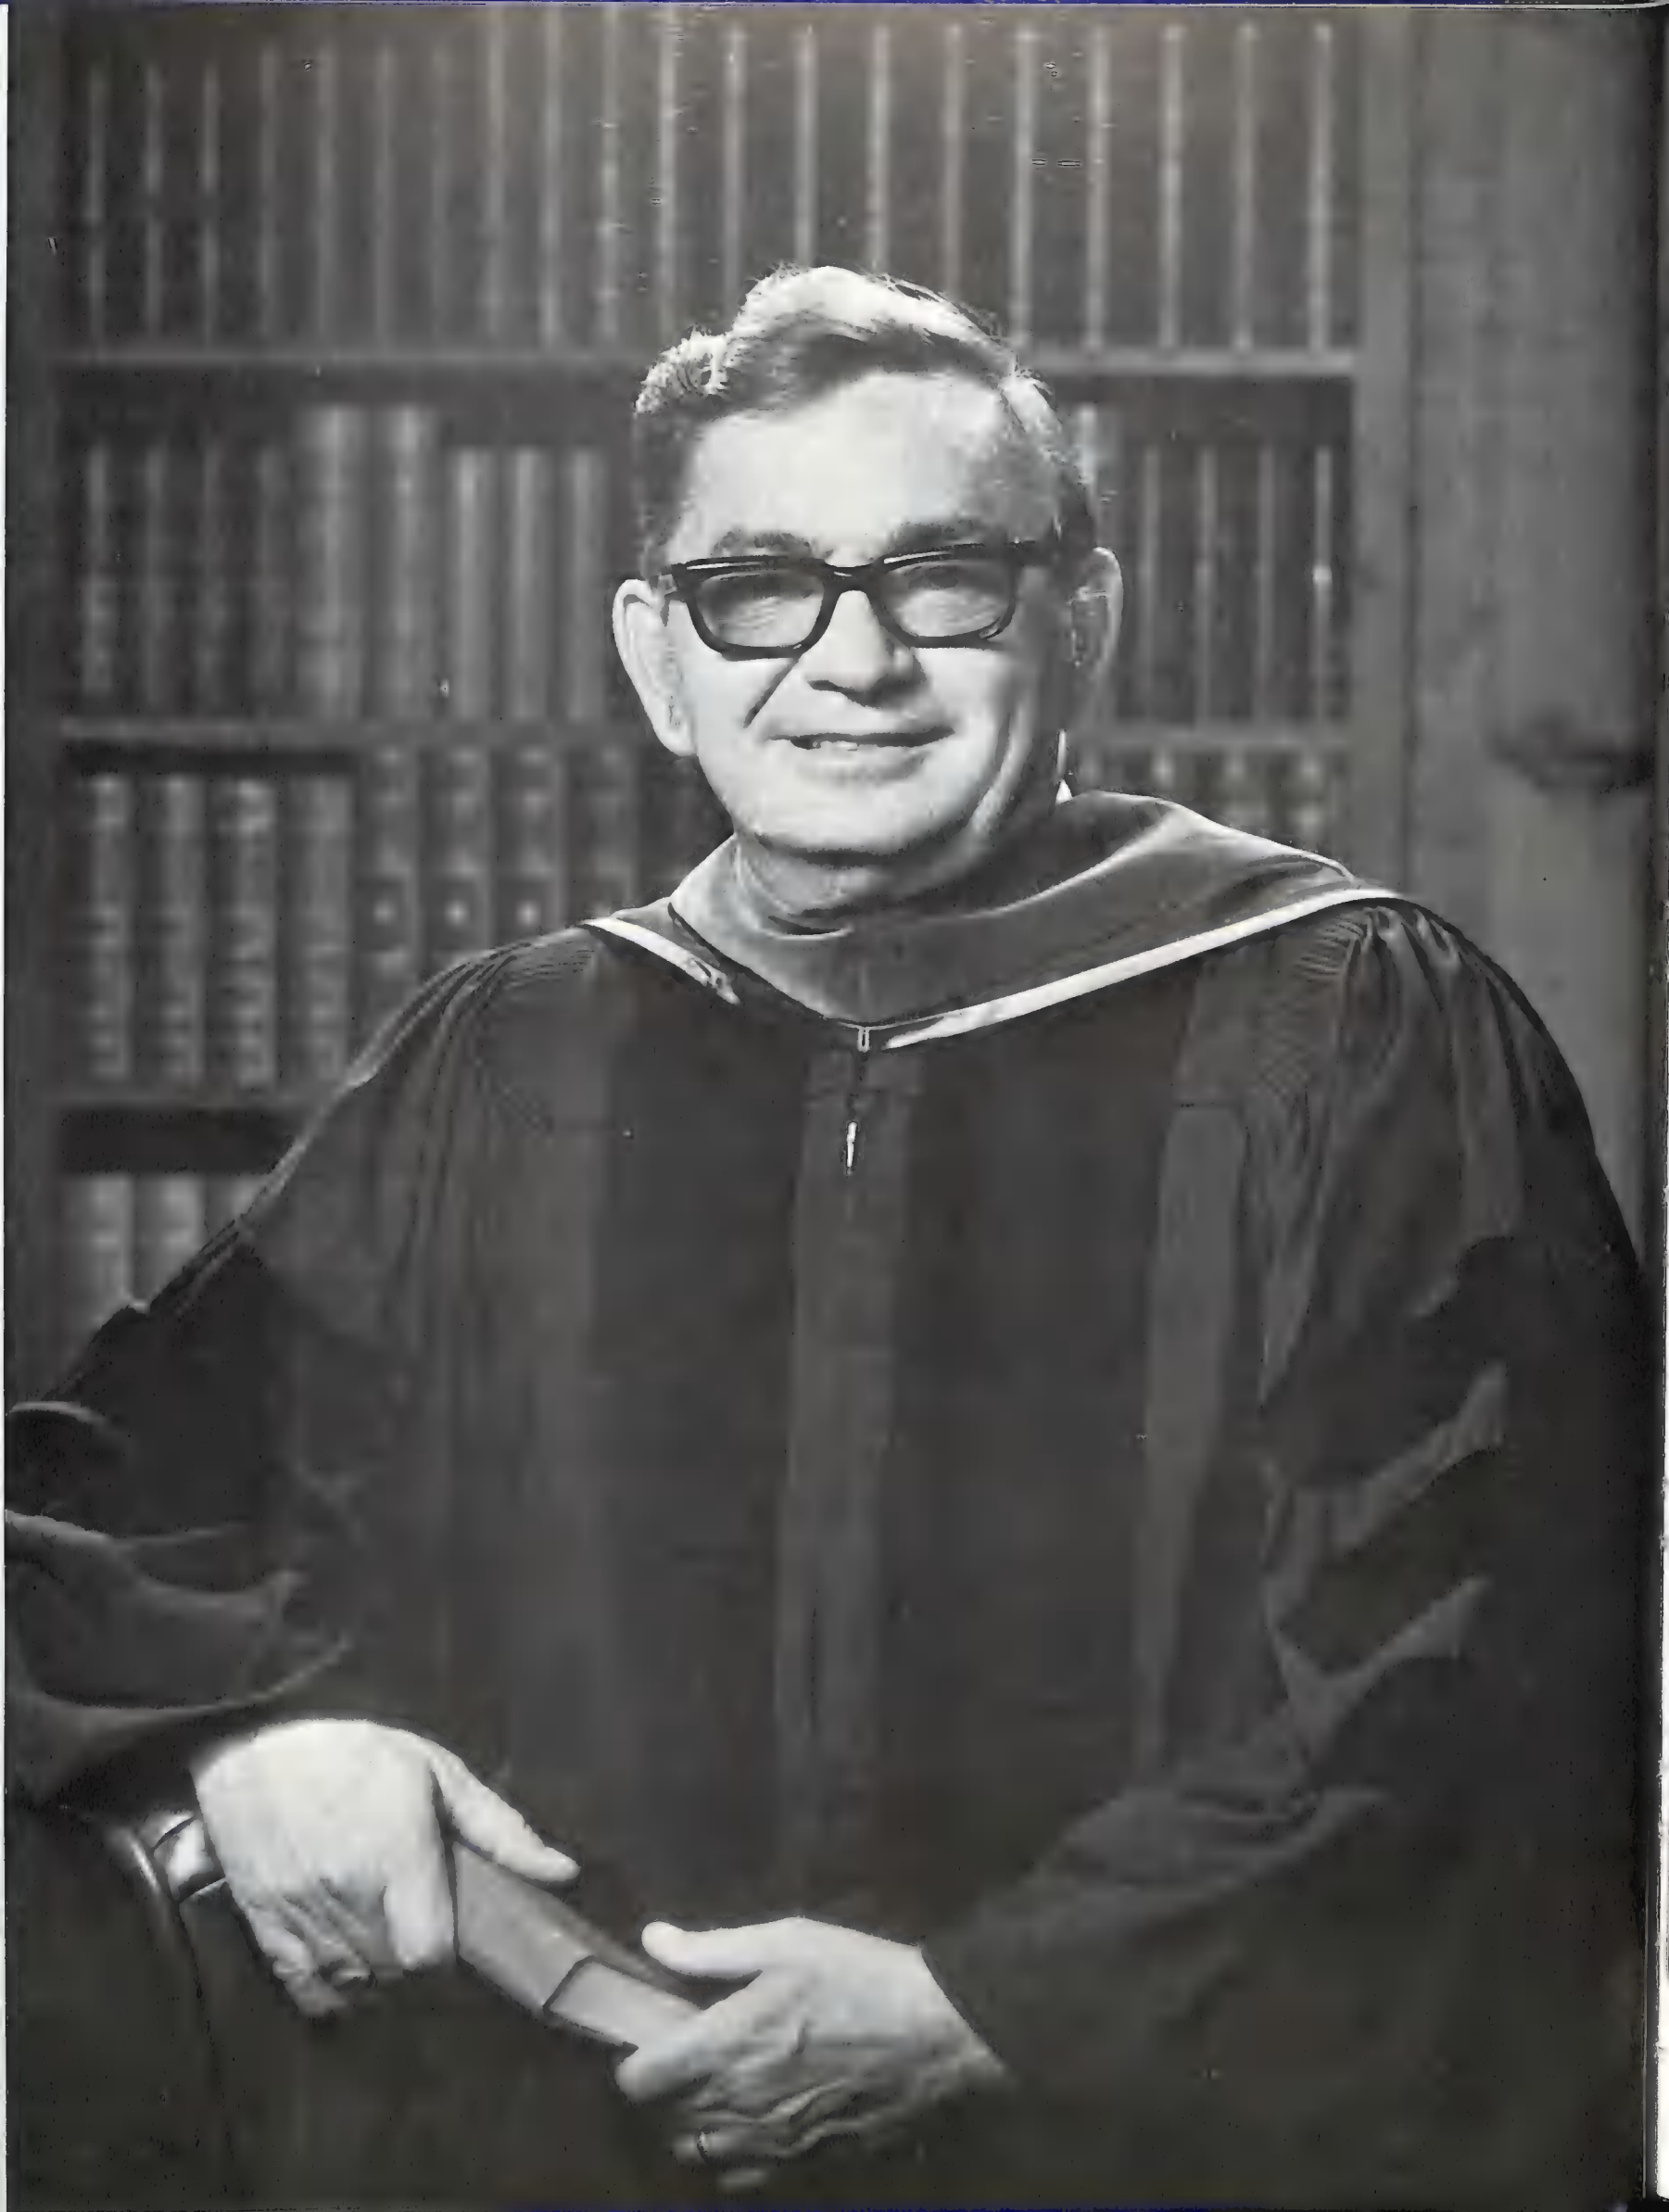

*We stop
seeking the challenge of tomorrow...*

We Salute You.

Dr. Robert O. Birkhimer

The students of Lewis and Clark Community College take great pride in dedicating the 1974 TREK to Dr. Robert O. Birkhimer, whose genuine enthusiasm and devotion have lent much to establishing the foundation of our young junior college.

Dr. Birkhimer's outstanding contributions to the field of education for over 30 years will be remembered not only by those of us at Lewis and Clark, but also by thousands of students who were privileged to know him.

His talents are many, as demonstrated by his academic accomplishments, professional achievements, and sincere dedication to us, the students.

He is an administrator, teacher, poet, and friend. Not many presidents could be as well liked and respected as Dr. Birkhimer. In recognition and tribute to this man, who will soon be leaving Lewis and Clark, we dedicate this year's TREK.

*We Welcome
Mr. Wilbur R.L. Trimpe
As Our New
President*

Mr. Trimpe meets the Board of Trustees.

Together we walk. . .
Friends in our sameness. . .
In our differences. . .
In sunshine and rain. . .

Giving and sharing. . .
In simplicity and trust. . .
Together in the journey of living. . .
Like two leaves spinning down a crystal stream. . .

Together like a giant oak towering beside gold waving grasses. . .
Or ivy twining around a low granite rock. . .
As we walk, friends laughing in sunshine. . .
Trusting as the birds trust the wind. . .

Together we ramble. . .
Open as the fields and valleys, sharing our green joy. . .
Sometimes reflecting each other's thoughts. . .
Like the mystic mosaics of a mountain lake. . .

Together we walk. . .
Tender as the horizon cradling the dawn and singing the sun to sleep. . .
Yet individual. . .
Merging our uniqueness. . .

Together we walk onward. . .
Beyond our vision into the unknown. . .
Where the path may be steep or narrow. . .
Wide or straight. . .

In sunshine and rain. . .
Moving toward greater wisdom. . .
Blending in the glory of life. . .
And the promise of tomorrow. . .
